

“No questions went unanswered – FOI Man knows his stuff!!” SA, London Borough of Merton

A cost-effective way to train your employees in information rights, delivered by a recognised expert. Paul Gibbons provides in-house training courses in:

- data protection and privacy
- freedom of information
- environmental information
- local government transparency
- records management

Paul can provide other support in these areas including review of policies and procedures, and conducting records surveys and data protection audits.

Get in touch for a competitive quote.

Paul Gibbons has two decades of information management experience in the UK Parliament, Greater London Authority, Pfizer, the NHS, local government and higher education. Best known for his **FOIMan** blog, he also writes for the *Freedom of Information Journal* and has featured in the *Daily Telegraph*, *Times Higher Education* and on *BBC Radio*.

“Charismatic, engaging and hugely informative.” HS, SOAS, University of London

“The talk was delivered in a way that was easy to understand and was entertaining.” Anon., Millfield School

“Informative. Clear. Concise. Knowledgeable. Thorough. Fab!” TR, London Borough of Redbridge
